- RBS Journey Share:** The Royal Bank of Scotland Group logo is at the top right. A navigation bar includes Welcome, New Password, FAQs, Terms, Email us, and User Guide. The main heading is "Share a Journey to Work Just One Day a Week and...".
- Cardiff Council Carshare:** Includes a logo for Cardiff Council and a navigation menu with links for Welcome, Safety tips, User guide, FAQs, More info, Conditions, News, Links, Travel survey, and Contact us. A "Not yet registered? Register now" button is visible.

### What is car sharing?

It is when two or more people decide to travel to work together in one car rather than separately. It does not exclude people who would normally travel as a passenger on other transport, but is really aimed at getting vehicles off the roads by increasing the number of people in each car.

### How does car sharing work?

Once you have completed the registration form the details will be entered into the database. The Car Share system will then produce a list of suitable sharers; people to pick up on the way or who live near you and who meet the criteria you have requested. From this list it is then up to \*you\* to contact each other and formulate a car share agreement that is convenient to you all.

You do not have to over commit yourself at this stage. One option is to set a trial period and a date to review the feelings of all parties. This will enable you to stop sharing at this point if the arrangement doesn't suit any or some of the parties involved.
